EVENT COMPLETION REPORT

SEMINAR ON PATHWAYS TO SUCCESS: CAREERS AND ENTREPRENEURSHIP AFTER GRADUATION AND POST-GRADUATION

Organized by: Department of Mathematics and Computer Science, Birpara College in collaboration with Institute for Advance Studies, Pune, and IQAC, Birpara College

Date: 19th March 2024

Overview of the Seminar: The seminar titled "Pathways to Success: Careers and Entrepreneurship after Graduation and Post-Graduation" was conducted with the aim of guiding students toward diverse career opportunities and entrepreneurial ventures. This event emphasized strategies for professional development, skills enhancement, and real-world insights from experts.

Objectives:

1. To enlighten students about career pathways in various industries.
2. To provide insights into entrepreneurship and start-up opportunities.
3. To guide students on post-graduation options, including higher education and professional certifications.
4. To encourage students to set realistic career goals and achieve them effectively.

Details of Participation: A total of 14 students actively participated in the seminar. The participants belonged to different streams, showcasing a diverse range of interests and aspirations.

1. **Opening Remarks:** The seminar commenced with a welcome speech by Principal, emphasizing the importance of career planning and entrepreneurship.
2. **Sessions:**
 - **Session 1:** Career Opportunities after Graduation
 - **Session 2:** Exploring Entrepreneurship as a Career Option
 - **Session 3:** Higher Education and Post-Graduation Pathways
3. **Interactive Q&A Session:** The students had the opportunity to engage directly with the speakers, asking questions related to their career concerns and entrepreneurial interests.

Outcome: The seminar successfully achieved its objectives, providing the students with valuable knowledge and inspiration to explore various career opportunities and entrepreneurial ventures. Many participants expressed an interest in pursuing further education and exploring business start-ups.

Conclusion: This seminar marked an important step in guiding students toward building successful careers and exploring entrepreneurial ventures. The Department of Mathematics and Computer Science looks forward to organizing similar events in the future to inspire and empower students.
