SAPLING DISTRUTION PROGRAMME AT BIRPARA HIGH SCHOOL

Under NSS Outreach Programme

Organized by: NSS Unit II, Birpara College

Date: 21/11/2022

No of Volunteers Participated: 19

Introduction

The National Service Scheme (NSS) Unit II of Birpara College successfully organized a "Sapling Distribution Programme" at Birpara High School on 21st November 2022. The programme aimed to promote environmental consciousness among students, faculty, and the local community, emphasizing the importance of tree plantation and sustainable practices for a greener future.

Objectives

- To create awareness among students about the importance of afforestation and conservation of nature.
- To encourage active participation in environmental protection.
- To strengthen community ties through meaningful environmental initiatives.

Programme Details

1. Activities Conducted:

- Distribution of saplings to students and faculty of Birpara High School.
- Brief session on the benefits of planting trees and their role in combating environmental challenges.
- Demonstration of proper planting and nurturing techniques.

2. **Saplings Distributed:** A total of 70 saplings, including varieties like neem, mango, guava, and flowering plants, were distributed among the participants.

3. Involvement:

- NSS Volunteers: A team of 19 volunteers from NSS Unit II actively facilitated the event, engaging with students and staff.
- School Participation: Students and teachers from Birpara High School enthusiastically participated, demonstrating their commitment to the cause.

Impact Analysis

1. On Students:

- Awareness Creation: Students gained insights into the ecological significance of tree plantation.
- **Skill Development:** Practical knowledge on planting and maintaining trees was imparted, fostering a sense of responsibility towards nature.
- **Environmental Stewardship:** Students pledged to nurture the distributed saplings, reinforcing their role as active contributors to environmental conservation.

- Community Awareness: The programme encouraged local residents to adopt ecofriendly practices.
- Environmental Impact: The distributed saplings are expected to contribute to improving air quality, biodiversity, and climate resilience in the long term.
- Youth Empowerment: Highlighted the role of young individuals in driving societal change, inspiring others to take similar initiatives.

Conclusion and Way Forward

The "Sapling Distribution Programme" was a significant step towards fostering environmental consciousness among students and the community. It underscored the importance of small yet impactful actions in addressing global environmental challenges. NSS Unit II is committed to continuing similar initiatives to engage youth and society in the pursuit of sustainable development.
