## SAPLING DISTRIBUTION AT BORO HOWDA

Under NSS Outreach Programme

**Organized by:** NSS Unit I, Birpara College

**Date:** 29/11/2023

**No of Volunteers Participated:** 15

### Introduction

The NSS Unit I of Birpara College organized a community outreach program titled “**Sapling Distribution at Boro Howda**” on 29th November 2023. The initiative aimed to foster environmental awareness, promote greenery, and encourage sustainable practices among the students and the community. The event was successfully conducted with the participation of 15 enthusiastic NSS volunteers who actively engaged with the local community.

### Objectives of the Program

1. To raise awareness about the importance of planting trees for ecological balance.
2. To encourage students and community members to actively contribute to a greener environment.
3. To promote the values of responsibility and sustainability in young individuals.
4. To strengthen the connection between the institution and the local community through constructive environmental initiatives.

Date .....

The program began with a short briefing session for the volunteers at Birpara College. Following this, the team proceeded to Boro Howda, where saplings of various native species were distributed among the community members. The volunteers explained the significance of tree planting, the care required for saplings, and the broader environmental benefits of trees, such as reducing carbon footprints and enhancing biodiversity.

A total of **75 saplings** were distributed during the event, and community members actively participated in understanding the plantation process. The program concluded with a feedback session to gather suggestions and insights from the participants and volunteers.

## Impact of the Event

### Impact on Students

- Enhanced their understanding of environmental issues and the importance of sustainability.
- Provided practical exposure to community service and teamwork.
- Instilled a sense of responsibility and commitment to social and environmental causes.

Date .....

- Increased awareness of the need for tree plantation and its long-term benefits for the environment.
- Fostered a sense of collaboration between the community and the institution.
- Motivated community members to take personal responsibility for nurturing the saplings distributed during the program.

## Conclusion

The **Sapling Distribution at Boro Howda** was a successful initiative that achieved its objectives of spreading environmental awareness and promoting sustainability. The active involvement of NSS volunteers, coupled with the positive response from the community, underscored the significance of such outreach programs in bridging the gap between educational institutions and societal development.
