## MEDICINAL PLANT DISTRIBUTION AT DALGAON

Under NSS Outreach Programme

**Organized by:** NSS Unit I, Birpara College

**Date:** 18/03/2024

**No of Volunteers Participated:** 17

### Introduction

The NSS Unit I of Birpara College successfully conducted a community-focused outreach programme titled "Medicinal Plant Distribution at Dalgaon" on 18th March 2024. The initiative aimed to promote awareness about the benefits of medicinal plants and their role in fostering a sustainable and healthy lifestyle. This event was part of the NSS unit's commitment to contributing to the welfare of the community while enhancing the personal growth of its student volunteers.

### Programme Highlights

- Distribution of Medicinal Plants:** A total of 55 saplings of medicinal plants, including Tulsi, Aloe Vera, Neem, and Giloy, were distributed among the local community members.
- Awareness Campaign:** Volunteers educated the community about the medicinal properties and uses of these plants. They demonstrated how these plants can be utilized to address common ailments naturally.

- 3. Community Engagement:** Interactive sessions with community members allowed volunteers to understand local health issues and promote the cultivation of medicinal plants in home gardens.
- 4. Environmental Message:** The event emphasized the role of medicinal plants in enhancing biodiversity and environmental health, fostering a culture of eco-friendly practices.

## Impacts of the Event

### 1. Impact on Students:

- Enhanced Knowledge:** Volunteers gained valuable insights into the importance of medicinal plants and their applications.
- Skill Development:** Participation in community interaction honed communication, leadership, and organizational skills.
- Social Responsibility:** The event instilled a sense of responsibility and empathy among students toward societal and environmental well-being.

- **Increased Awareness:** Community members learned about the significance of medicinal plants and their health benefits, encouraging them to incorporate these into their lifestyles.
- **Health Promotion:** Access to medicinal plants offered a natural and cost-effective solution to common health problems.
- **Environmental Benefits:** Encouraging the planting of medicinal flora contributes to environmental conservation and biodiversity enrichment in Dalgaon.

## Conclusion

The "Medicinal Plant Distribution at Dalgaon" programme was a resounding success, fulfilling its objectives of promoting health, environmental awareness, and student-community collaboration. The NSS Unit I of Birpara College remains committed to conducting more such meaningful initiatives in the future to foster sustainable development and community welfare.
