GUIDE TO E-CONTENT DEVELOPMENT AND MANAGEMENT

Date of Event: 16th March 2022

Place of Event: Birpara College

Expert/Resource Person: Mr. Anoy Siddha, Department of Computer Science, Birpara College

Number of Participants: 31 Students

1. Objective of the Workshop:

The workshop aimed to provide students with an in-depth understanding of e-content development and management. It focused on equipping participants with essential skills for creating and managing digital learning resources, with a particular emphasis on tools and best practices for developing engaging and effective educational content.

2. Session Overview:

Mr. Anoy Siddha, a faculty member from the Department of Computer Science at Birpara College, led the session. He provided valuable insights into the following key areas:

- **Introduction to E-Content:** Definition, importance, and scope of e-content in modern education.
- **Content Development Tools:** Demonstration of various software and platforms available for creating interactive and engaging educational content (e.g., video, audio, slideshows, and quizzes).
- **Principles of E-Content Design:** Best practices for structuring e-content that is user-friendly and pedagogically effective.

- **Management of E-Content:** Techniques for organizing, storing, and sharing e-content in an efficient manner, with a focus on maintaining accessibility and long-term usability.
- **Emerging Trends:** Overview of current trends in e-learning and e-content, including mobile learning and integration with Learning Management Systems (LMS).

The expert also shared real-life case studies and examples of successful e-content projects.

3. Participant Engagement:

The workshop was highly interactive, with several students actively participating in discussions and posing questions related to content development, the technical aspects of using various tools, and how e-content can enhance their learning experience. A hands-on activity was included, allowing students to create basic e-content using free online tools, which helped reinforce the theoretical aspects covered during the session.

4. Conclusion:

The workshop on "Guide to E-Content Development and Management" was successfully conducted with 31 student participants. It provided valuable knowledge and practical skills in the area of e-content creation and management, which are essential in the current educational landscape. The expert's hands-on approach and engaging teaching style contributed significantly to the positive outcome of the event.
