ORIENTATION PROGRAMME FOR GEOGRAPHY STUDENTS: FUTURE IN HIGHER EDUCATION

Date of Event: 22nd November 2023

Venue: Birpara College

No. of Students Participated: 47

Objective of the Event:

The primary objective of the Orientation Programme was to guide and inform Geography students about the opportunities and future prospects in higher education. The session aimed to provide valuable insights into the academic and professional pathways available for students pursuing Geography as a major subject.

Resource Person:

Name: Pranoy Dey, Assistant Professor, Department of Geography, Birpara College

Overview of the Event:

The Orientation Programme was organized for the undergraduate students of Geography at Birpara College. The event was held on 22nd November 2023 in the college premises, with the active participation of 47 students.

The session was led by **Pranoy Dey**, an experienced faculty member from the Department of Geography. The resource person shared comprehensive insights on the potential career options,

postgraduate opportunities, and interdisciplinary avenues available to Geography students in higher education.

Key Highlights of the Event:

1. Introduction to Higher Education in Geography:

- The session began with an introduction to various fields and career paths that Geography graduates can explore in the realm of higher education.
- Topics included the scope of post-graduate studies, Ph.D. programs, and specializations in areas like urban studies, environmental science, GIS (Geographic Information Systems), and remote sensing.

2. Career Pathways and Opportunities:

- The resource person emphasized the importance of pursuing higher education to gain in-depth knowledge and open up various career options in academia, research, environmental consultancy, and government sectors.
- Practical advice was provided on how students can align their academic choices with industry demands and emerging trends in Geography.

3. Research and Interdisciplinary Studies:

- A detailed explanation was given about the growing importance of interdisciplinary studies, highlighting areas where Geography intersects with other fields such as environmental science, urban planning, and social sciences.
- Students were encouraged to consider research-oriented careers and were given guidance on applying for scholarships and funding opportunities.

4. Postgraduate and Doctoral Programs:

- The speaker outlined various institutions offering advanced programs in Geography and related fields.
- Students were advised on how to select appropriate programs and the importance of choosing specializations that match their interests and career goals.

5. Q&A Session:

- The event concluded with an interactive Q&A session where students were able to ask questions and clarify their doubts related to higher education, career opportunities, and future trends in the Geography field.
- Several students expressed interest in pursuing further studies and research, and the resource person provided personalized advice.

Conclusion:

The Orientation Programme proved to be an enriching and informative experience for the students, helping them understand the vast potential and diverse opportunities that Geography offers in higher education and professional careers. The event successfully met its objective of preparing students for the future and guiding them toward informed academic and career decisions.
