WORKSHOP ON “PREVENTION AND CONTROL OF AIDS”

Date: 19th January 2024

Location: Birpara College

Resource Person: Dr. Sanjoy Roy, Birpara State General Hospital

Number of Students Participated: 231

1. Introduction

A workshop on the *Prevention and Control of AIDS* was held on January 19, 2024, at Birpara College. The event aimed to raise awareness among students about HIV/AIDS, its prevention, and the importance of early diagnosis and treatment. Dr. Sanjoy Roy, a respected medical professional from Birpara State General Hospital, was invited as the resource person for the session.

2. Objective of the Workshop: The primary objectives of the workshop were:

- To educate students on HIV/AIDS, including its causes, transmission, and global impact.
- To raise awareness about preventive measures and control strategies.
- To dispel common myths and misconceptions surrounding the disease.
- To emphasize the importance of safe practices, early testing, and medical intervention.

3. Key Highlights of the Session: Dr. Sanjoy Roy conducted a comprehensive and interactive session, focusing on the following areas:

- **Understanding HIV/AIDS:** Explanation of the virus, its transmission, and the stages of the disease.

- **Prevention Measures:** Information on safe practices, condom use, regular testing, and reducing risky behaviors.
- **Medical Advancements:** Insight into treatment options, antiretroviral therapy (ART), and ongoing research in HIV/AIDS.
- **Myths and Facts:** Dr. Roy debunked common misconceptions about AIDS and educated students on the factual aspects of the disease.
- **Support and Resources:** Guidance on where to seek help, both in terms of medical support and emotional counseling.

4. Student Participation: The workshop witnessed active participation from 231 students who were engaged throughout the session. Students posed thoughtful questions, contributing to discussions around the stigma associated with AIDS and the importance of supportive environments for affected individuals. The interactive Q&A session allowed students to gain clarity on many issues related to HIV/AIDS.

5. Conclusion and Outcome: The workshop successfully met its objectives, equipping students with crucial knowledge about HIV/AIDS and empowering them to act as informed advocates for prevention and control in their communities. Dr. Sanjoy Roy's expert insights and engaging delivery ensured that students not only understood the scientific and medical aspects but also appreciated the societal and psychological challenges related to the disease.
