Study tour by Department of Geography & Department of Sociology

Date: 21/04/2022 to 30/04/2022

The students of Geography (4th Semester Honours and 6th Semester Programme) & Sociology (6th Semester Honours) went for a study tour along with faculty members of this departments in Shillong, Meghalaya to explore the socio-cultural aspects of this region as a part of their syllabus. The said tour was organised jointly by Department of Geography & Department of Sociology from 21/04/2022 to 30/04/2022. Among the faculty members Pranoy Dey, Sk Kamruzzaman, Shaan Anjum supervised the entire team during the tour. The students of both the departments selected Mawlynnong as their study area, which is designated as one of the cleanest villages in Asia. The students visited various household in the study area to collect various information about their socio-economic status through schedule questionnaire. The students and faculty members also visited various offices to collect various information, maps, data about the district. After the work the students also visited Tamibil Border, Dawki River, museums and various other places in and around the district for enchanting their mind. After returning from field tour the students of both the departments prepared a project report as a part of their syllabus.
