हिंदी सामान्य विषय (CBCS प्रणाली अनुरूप), मेजर और माइनर (FYUGP) प्रोग्राम पाठ्यक्रम के मुताबिक निम्न उपलब्धि (आउटकम) प्राप्त की जा सकती है-

B. A. General Degree Course under 1+1+1, CBCS & FYUGP System

Programme Outcomes (PSO)

The undergraduate programme of Hindi both three years degree, CBCS and FYUGP system provides academic flexibility to meet various needs of the students through learner - centric approach.

The following are the Programme Outcomes of B. A. Hindi General, Major and Minor Degree Course:

-

Hindi Major:

1. **Critical Analysis:** Major students are expected to engage in more critical analysis of Hindi Language and Literature, interpretations, arguments and theories often at a level beyond what is expected in general courses.

2. **Advanced Research Skills:** Major students often develop more advanced research skills, including the ability to conduct the research work, analyzing primary and secondary sources, synthesizing information and contribute new insights to the field.
3. **Specialization:** Major programmes typically allow students to specialize in particular areas of Hindi language and literature, enabling them to develop expertise in their chosen areas of study.
4. **Communication:** The programmes often emphasize strong written and oral communication skills as students frequently write creative writings as poetry, stories, Plays, essays, reports writing and present findings.
5. **Historical Knowledge:** The students have a broad understanding of historical survey of Hindi Literature and language and its periods and themes as well as the ability to place them in context.
6. **Cultural and Global Awareness:** The Students often gain an appreciation for diverse cultures and perspective through the study of Hindi literature..
7. **Ethical and Civic Engagement:** The programmes may encourage students to reflect on ethical issues fostering civic and social responsibility and engagement.
8. **Adaptability:** The students often develop skills in adapting to new information and changing circumstances which are valuable in variety of careers.

Hindi General Course:

1. **Foundational Knowledge:** Hindi General courses provide students with a broad Knowledge about Hindi literature and language, offering a foundational discipline of Hindi literature and language.
2. **Research Skill:** Hindi general courses may include research writings and students may focus more on developing basic research skills such as finding and evaluating sources rather than advanced research methods.
3. **Breadth of Study:** General courses of Hindi may cover varieties of field exposing students to diverse cultures, literature, language.

4. **Interdisciplinary Connections:** Hindi General courses may explore connections and relation of Hindi language and literature among the other languages and literature such as Sanskrit, English, Bengali, Nepali etc.
5. **Preparation of Diverse Careers:** Hindi General courses may prepare students for a different type of careers, research skills, communication skills, creative writings etc.

Overall, while Major, Minor and General Hindi courses aim to develop critical thinking, research skill and creative writing, Hindi Major courses specifically provides more specialized training knowledge for further higher study.
